At Beekenkamp, we believe that sustainability and reliability go hand in hand. Across our entire Cyclamen range, we use the BKX tray as our standard. It is a reusable solution designed for efficient, automatic potting. These trays support sustainability through repeated use and also help streamline your production operations without compromise.

Tray formats and delivery weeks have also been streamlined to ensure better consistency and reliability. Delivering what we promise is a value we hold high. This step reinforces that commitment.

The assortment has been enhanced as well. The Macaron series now features new colors, offering a very compact, easy-to-grow Cyclamen ideal for 6 to 11 cm pots, with a sales window from August to October. For larger formats, the Super Leopardo series (12 to 15 cm) introduces two new colors, expanding possibilities for bold, eye-catching displays. Fresh possibilities await in this catalogue. It is a reflection of our shared dedication to quality, sustainability and growth.

Your Beekenkamp team looks forward to growing with you into the future.

Bij Beekenkamp geloven we dat duurzaamheid en betrouwbaarheid hand in hand gaan. Binnen ons uitgebreide Cyclamen-assortiment gebruiken we de BKX-tray als standaard. Dit is een herbruikbare oplossing, ontworpen voor efficiënte, automatische oppotting. Deze trays dragen bij aan duurzaamheid door herhaald gebruik en helpen tegelijkertijd om uw productieprocessen te stroomlijnen zonder concessies te doen.

Ook de trayformaten en leverweken zijn gestroomlijnd om meer consistentie en betrouwbaarheid te garanderen. Nakomen wat we beloven is een waarde die we hoog in het vaandel hebben. Deze stap onderstreept die toewijding. Het assortiment is eveneens uitgebreid. De Macaron serie bevat nu nieuwe kleuren en biedt zeer compacte, gemakkelijk te kweken Cyclamen, ideaal voor potmaten van 6 tot 11 cm, met een verkoopperiode van augustus tot oktober. De Super Serie Leopardo heeft twee nieuwe kleuren, perfect voor opvallende presentaties.

In deze catalogus vind u nieuwe mogelijkheden. We zetten samen in op kwaliteit, duurzaamheid en groei.

Uw Beekenkamp team kijkt ernaar uit om samen met u te groeien richting de toekomst.
